

Dahn learned to create a more passive stream of income so she could create more time to spend with her grandchildren.

AFTER SUCCESSFULLY AND ACTIVELY BLOGGING SINCE 2014, DAHN WAS LOOKING TO CREATE MORE PASSIVE INCOME SO SHE COULD FREE UP TIME TO SPEND WITH HER FAMILY.

Dahn and her mother had been actively blogging for over a decade and Dahn was looking for a way to free up time to spend with her grandchildren and family. Looking for inspiration, ideas, and guidance, Dahn turned to the EBT Mastermind Group for help investing in herself and “getting some skin back in the game.”

HER GOAL: To find ways creating other venues of passive income so she could free up time to spend with her family and loved ones

WHAT WORKED: The group helped Dahn find the confidence in herself to develop entrepreneurial skills beyond blogging and opened the door to more creative ideas as well.

RESULTS: Dahn is currently working on her cookbook to be published later this year and plans to release more in the future. She is also putting more effort into her various social media platforms.

WHAT'S NEXT? Dahn plans to publish her first cookbook soon with more to come in the future. She also plans to spend as much time as she can with her parents, children, and grandchildren.

“THE GREAT MIX OF KNOWLEDGE AND EXPERTISE OF THE GROUP HELPED ME FIND THE CONFIDENCE IN MYSELF AGAIN!”
